JESSICA HUNT & MICHAEL HUFF

Family is foremost for Jessica Hunt and Michael Huff. When he was ready to propose to his longtime girlfriend, Michael reserved a room at Jessica's favorite restaurant and invited her family and friends. Expecting a birthday dinner, Jessica was surprised to receive a proposal instead. For their March 28, 2015 nuptials, the couple skipped the traditional wedding party and focused on family—specifically, their daughter Maddie, who served as flower girl. —E.W.
