MOLLY MONTGOMERY & CRAIG DIBIASE

Molly Montgomery and Craig DiBiase's love story seems primed for the big screen. He, a producer, fell for her, an actress, on set. After dating for five years, he proposed by hiding her ring in the pages of a book, a nod to one of their favorite films, *The Shawshank Redemption*. On May 23, 2015, they wed at Clark Gardens, which was built by Molly's grandparents. The scene-stealing backdrop featured an old-Hollywood color scheme of gold, silver, blush, and black. —E.W.
