NINA MILLER & NICHOLAS LESIUK

Nina Miller and Nick Lesiuk's love knows no bounds. Though both attended the Singapore American School overseas, they didn't meet until they were students at SMU. They dated long-distance while Nick worked and Nina finished her studies. For his proposal, he sent her on a scavenger hunt to their memorable Dallas dating spots. They wed on June 13, 2015, at Mitas Hill Vineyard in McKinney, where even thunderstorms couldn't dampen their joy. —Emily Ward
